WOMEN'S ORGANIZATIONS.

Mrs. George C. Wimberley very delightfully entertained the Daughters of the American Revolution at the first meeting of the season, on Monday afternoon, at her home on Brown street. Mrs. H. B. Stevens, Mrs. E. M. Bray and Mrs. C. E. Kelly assisted her as hostesses for the occasion.

The meeting was opened promptly, with Mrs. Wimberley in the chair as regent. She presided with much grace and dignity. In her opening address she stated some of the objects which she hoped might be accomplished during the coming year's work.

Following the regent's address, Mrs. C. E. Kelly paid a glowing tribute to the memory of Mrs. C. R. Morehead, who was a life member of the D. A. R. Mrs. Kelly said: "As we turn the leaves of our new year book, our hearts are gladdened by the thought of the good things in store for us. However, when we reach the last page, sad and overwhelming as for there is another name with a black border around it. Mrs. Morehead is no longer with us."

"To those of us who had the privilege of knowing Mrs. Morehead, she typified everything that a Daughter of the American Revolution should be. A life member of Rebecca Stoddard chapter, she always inspired us by her interest and enthusiasm. In every relation of life our beloved member did well her part. Mrs. Morehead's friends feel the loss of an honored associate."

"Mrs. Morehead was descended from a prominent family of New England patriots. In bearing the illness and suffering of the last years of her life, she showed all the fortitude of her soldier ancestors, and her memory must ever be an inspiration to our chapter."

Mrs. C. E. Kelly was in charge of the program, and the social part of the entertainment. Miss Alice Fitzpatrick read an excellent paper on the "Public Playgrounds" in the city in most pleasing manner.

Miss Florence Comfort delighted her hearers with a beautifully rendered solo, and Mrs. W. S. Tilton gave a reading in her usual interesting way.

Mrs. William Owen and Mrs. Adeline Owen added much to the pleasure of the afternoon with musical numbers, as did little May and Elizabeth Kelly with cleverly rendered solos and recitations.

Delicious refreshments were served and a pleasant social time enjoyed. Those on the entertainment committee were: Chairman, Mrs. W. S. Tilton; H. A. Magruder, J. W. Lucas, F. W. Mett, Mattice.

A very enjoyable entertainment was given on Saturday evening by the Pythian Sisters, when a neat sum was realized for the organization and a pleasant social time enjoyed. Those on the entertainment committee were: Chairman, Mrs. W. S. Tilton; H. A. Magruder, J. W. Lucas, F. W. Mett, Mattice.

A small but enthusiastic meeting of the Sunshine Helpers was held Saturday afternoon at the home of Miss Fanny Blakesley, in Highland Park.

Miss Essinger rendered several charming selections on the piano, while other members were engaged in making fancy aprons to be sold for the benefit of the day nursery; after this, delicious refreshments were served by the hostess.

Those present were: Misses Irene Essinger, Justine Newbrough, Ruth Kerr, Sadie Kerr, Caroline Bayne and Mrs. Elizabeth Kowger.

Next Saturday afternoon Miss Ira May Nelson, Miss Florence Giddard and Mrs. George Brunner will entertain the members at Mrs. Brunner's residence, 612 Nevada street.

The Sunshine Workers will meet next Friday afternoon at 3 o'clock at the home of Mrs. R. W. Blakesley, 515 Montezuma street.

The annual meeting of the Daughters of the Confederacy was held Saturday afternoon for the purpose of electing officers for the ensuing year, and also to celebrate the birthday anniversary of Judge Reagan.

Mrs. E. F. Croom was elected president; Miss Josie Wooten, first vice president; Mrs. V. P. Safford, second vice president; Mrs. H. E. Runkle, recording secretary; Mrs. E. Payne, corresponding secretary; Mrs. A. B. Barlow, historian; Miss Lulu Jones, registrar; Mrs. W. L. Brown, musical director.

Delegates were also elected to the convention to be held at Marlin, Texas, and at Little Rock, Ark.

The business meeting of the W. C. T. U. will be held Friday afternoon at 3 o'clock at rooms of the Y. W. C. A. In the absence of the president, Mrs. J. E. Cox has been asked to preside. Considerable business will come up for adjustment and a full attendance is desired.

Miss Sue Lattner entertained the Beta Beta club this afternoon at her home on North Campbell street.

The music department of the Woman's club held its first meeting of the season this afternoon at the home of Mrs. W. R. Brown, when the opera, "Cavalleria Rusticana," was given in a most charming manner.

The directors for the day were Mrs. J. W. Lorentzen and Mrs. George Brunner.

The Shakespeare Reading club will meet next week at the home of Mrs. C. H. Campbell, on North Kansas street.

The board of directors of the Y. W. C. A. will hold its regular monthly meeting Friday morning at 9:30 o'clock, at the rooms in the old Toltec building.

Mrs. W. S. Tilton will again be in charge of the "Woman's" department of the fair, and under her directorship an interesting exhibit is being arranged.

There will be an exhibit of heirlooms and antiques, and a specialty will be made of old quilts and rag carpets, showing the handwork of our grandmothers.

The cooperation of El Paso women is desired to help make a success of this department. Another interesting feature will be the "Fruit Cake" contest, for which \$50 will be given as first prize, and \$25 for the second. All communications will reach Mrs. Tilton over Bell phone No. 1723, or No. 11 Brazos flats.

Mrs. W. B. Latt very delightfully entertained the Thursday lunch club last week on Saturday.

The elaborately appointed table held an exquisite centerpiece of American Beauty roses. This was the first meeting of the club for the season, and those enjoying the affair were: Mesdames R. F. Burges, W. D. Howe, M. H. Webb, A. H. Goldstein, W. G. Dunn, H. S. Beach, Isabel Flato, Lella T. Moore, Miss Mabel Falvey.

WILL WIN IN FAIR TRIAL

Many Years' Experience Causes Mrs. Eells to Think She Can Predict Outcome.

New Hartford, Iowa—"I think I am well qualified," writes Mrs. L. Eells, of this place, "to recommend Cardui, and strongly advise all women to give it a trial. For the past 24 years, I have been afflicted with troubles peculiar to women. They made life a burden for me. I tried home doctors, and various remedies without relief. At last I began to take Cardui, according to directions, and now I am entirely cured of all my afflictions."

Do you suffer from any of those troubles to which all women are liable? If so, how would you like to be able to say, "Now I am entirely cured of all my afflictions," like Mrs. Eells does?

Take Cardui, the woman's tonic. For more than half a century, this purely vegetable, gentle-acting woman's remedy, has been in successful use in the treatment of such troubles. Not only has it helped sick women to health, but as a strength-giving tonic for weak, debilitated women, it has been found of more than ordinary value.

Keep Cardui convenient in the closet. Buy a bottle today at the nearest drug store and begin to use it.

SURELY MAKES KIDNEYS ACT FINE AND ENDS MISERY FROM BACKACHE.

Several doses regulate the Kidneys and cure Bladder trouble.

Kidney disease is the most dangerous, because the first symptoms are seen in other parts of the body before anything wrong is noticed with the kidneys themselves.

Some of the symptoms, though, cannot be mistaken; for instance, sick, unhealthy kidneys cause thick, cloudy, offensive urine, full of sediment, irregular of passage or attended by a sensation of scalding. The back aches constantly, or there is dull misery in the sides and loins, headaches and dizzy spells may occur, nervous twitchings, disturbed sleep, inflamed or puffy eyelids, weakness, bilious stomach, heart palpitations or the sufferer is often weighed down by a feeling of languor or fatigue.

The time to cure kidney trouble is while it is only trouble—before it settles into Diabetes, Dropsy, Gravel or Bright's Disease. The moment you suspect the slightest kidney, bladder or urinary disorder begin taking Pape's Diuretic as directed, with the knowledge that there is no other medicine, at any price, made anywhere else in the world, which will effect so prompt and thorough a cure.

Don't be miserable and remain in danger another moment because of a lame back or clogged, inactive kidneys or bladder or urinary misery; all this will surely go after you take Pape's Diuretic for a few days. Your physician, pharmacist, banker or any mercantile agency will vouch for the responsibility of Pape, Thompson & Pape of Cincinnati, Ohio, who prepare Pape's Diuretic—50 cent treatment—sold by every druggist in the world.
